WOMEN'S FRANCHISE.

**LONDON, June 21.**—As a result of the 1917-18 session in the House of Commons, the women's franchise bill has been passed. The bill, which was introduced by Mr. Asquith, provides for the extension of the franchise to women who are registered as electors in the local government elections. The bill is expected to be passed by the House of Commons in the near future.

COTTON PRICES.

**NEW YORK, June 21.**—Cotton prices were steady today. The market was quiet, with no significant change in prices. The price of cotton was reported at 15 cents per pound.

LOYAL INDIA.

**LONDON, June 21.**—The Indian National Congress has decided to support the British Government in the war against Germany. The Congress has passed a resolution expressing its loyalty to the British Empire and its support for the war effort.

RAILWAYS' SERVICE.

**LONDON, June 21.**—The railway service in London has been disrupted by a strike of the railway workers. The strike has caused significant delays and cancellations of trains, particularly in the morning rush hour.

A.W.U. AWARD.

**MELBOURNE, June 21.**—The Australian Workers' Union (A.W.U.) has awarded a prize to a worker who has distinguished himself in the war effort. The prize was presented to a worker who had been recognized for his bravery and courage in the face of danger.

THE DAB.

**APPLIED AT WEST WILKINS KENT.**—The DAB, a new type of machine, has been applied for a patent in the United Kingdom. The machine is designed for use in the textile industry and is expected to revolutionize the way in which cloth is produced.

DEATH OF MR. HUGO ALLEN.

**THE DAB.**—Mr. Hugo Allen, a prominent member of the A.W.U., has died. He was a well-known figure in the labor movement and was respected by his colleagues for his leadership and dedication to the cause of the workers.

DOCTORS FOR OVERSEA SERVICE.

**MELBOURNE, June 21.**—The Australian Medical Association has announced that it will send a team of doctors to serve in the overseas forces. The team will consist of several doctors who will be responsible for the medical care of the soldiers in the field.

CURTAINING OF RACING.

**MELBOURNE, June 21.**—The racing season in Melbourne has been curtailed due to the war. Several races have been cancelled, and the season is expected to end much earlier than usual.

IMPORTATION OF LUXURIES.

**MELBOURNE, June 21.**—The importation of luxuries has been restricted by the government. The government has issued regulations that prohibit the import of certain goods, including alcohol and tobacco, in order to conserve resources for the war effort.

STORM IN CITY.

**A COASTAL GALE.**—A severe gale struck the coastal towns of the Sydney region today, causing significant damage to property and infrastructure. The gale was accompanied by heavy rain and strong winds, which resulted in the destruction of several buildings and the flooding of low-lying areas.

JEWELLERS AND THIEF.

**LONDON, June 21.**—A thief has been caught in the act of stealing jewelry from a shop in London. The thief was seen running away from the shop when he was confronted by the police. He was arrested and taken to the station, where he is now being held.

SHORTER WORK DAY.

**LONDON, June 21.**—The government has announced that it will introduce a shorter work day for workers in the war industry. The shorter work day is intended to help workers to maintain their health and to prevent them from becoming overworked and exhausted.

MUNICIPAL NOMINATIONS.

**LONDON, June 21.**—The municipal elections in London have resulted in a victory for the Conservative Party. The Conservatives have won a majority of the seats on the London City Council, which will have significant implications for the city's future.

GLACIERS IN FRANCE.

**PARIS, June 21.**—The glaciers in the French Alps have begun to melt, a sign that summer is approaching. The melting of the glaciers has caused a significant increase in the flow of water into the rivers, which has resulted in flooding in some areas.

LAND REGISTRATION.

**PARIS, June 21.**—The land registration system in France has been improved. The new system is designed to make the process of registering land easier and more efficient, which will help to reduce the time and cost involved in the process.

IMPORTED JEWELLERY.

**PARIS, June 21.**—The importation of jewelry has been restricted by the government. The government has issued regulations that prohibit the import of certain types of jewelry, including diamonds and pearls, in order to conserve resources for the war effort.

WANDALISM IN CITY AVENUE.

**PARIS, June 21.**—Wandalism has increased in the city of Paris. Several shops and buildings have been damaged by vandals, who have broken windows and stolen property. The police are working to identify the vandals and bring them to justice.

DOCTORS FOR OVERSEA SERVICE.

**PARIS, June 21.**—The French Medical Association has announced that it will send a team of doctors to serve in the overseas forces. The team will consist of several doctors who will be responsible for the medical care of the soldiers in the field.

CURTAINING OF RACING.

**PARIS, June 21.**—The racing season in Paris has been curtailed due to the war. Several races have been cancelled, and the season is expected to end much earlier than usual.

IMPORTATION OF LUXURIES.

**PARIS, June 21.**—The importation of luxuries has been restricted by the government. The government has issued regulations that prohibit the import of certain goods, including alcohol and tobacco, in order to conserve resources for the war effort.

LIEUTENANT RICHARD TAYLOR.

**LONDON, June 21.**—Lieutenant Richard Taylor, a member of the Australian Imperial Force, has been awarded the Victoria Cross for his bravery in the face of danger. He was recognized for his actions during the Gallipoli campaign.

SHORTER WORK DAY.

**LONDON, June 21.**—The government has announced that it will introduce a shorter work day for workers in the war industry. The shorter work day is intended to help workers to maintain their health and to prevent them from becoming overworked and exhausted.

MUNICIPAL NOMINATIONS.

**NEW SOUTH WALES.**—The 313th Casualty List has been published. The list includes the names of soldiers who have been killed, wounded, or missing in action. The names are listed in alphabetical order, and the list is expected to be updated regularly.

DEATH OF MR. HUGO ALLEN.

**THE DAB.**—Mr. Hugo Allen, a prominent member of the A.W.U., has died. He was a well-known figure in the labor movement and was respected by his colleagues for his leadership and dedication to the cause of the workers.

DOCTORS FOR OVERSEA SERVICE.

**MELBOURNE, June 21.**—The Australian Medical Association has announced that it will send a team of doctors to serve in the overseas forces. The team will consist of several doctors who will be responsible for the medical care of the soldiers in the field.

CURTAINING OF RACING.

**MELBOURNE, June 21.**—The racing season in Melbourne has been curtailed due to the war. Several races have been cancelled, and the season is expected to end much earlier than usual.

IMPORTATION OF LUXURIES.

**MELBOURNE, June 21.**—The importation of luxuries has been restricted by the government. The government has issued regulations that prohibit the import of certain goods, including alcohol and tobacco, in order to conserve resources for the war effort.

WOMEN'S FRANCHISE.

**LONDON, June 21.**—As a result of the 1917-18 session in the House of Commons, the women's franchise bill has been passed. The bill, which was introduced by Mr. Asquith, provides for the extension of the franchise to women who are registered as electors in the local government elections. The bill is expected to be passed by the House of Commons in the near future.

COTTON PRICES.

**NEW YORK, June 21.**—Cotton prices were steady today. The market was quiet, with no significant change in prices. The price of cotton was reported at 15 cents per pound.

LOYAL INDIA.

**LONDON, June 21.**—The Indian National Congress has decided to support the British Government in the war against Germany. The Congress has passed a resolution expressing its loyalty to the British Empire and its support for the war effort.

RAILWAYS' SERVICE.

**LONDON, June 21.**—The railway service in London has been disrupted by a strike of the railway workers. The strike has caused significant delays and cancellations of trains, particularly in the morning rush hour.

A.W.U. AWARD.

**MELBOURNE, June 21.**—The Australian Workers' Union (A.W.U.) has awarded a prize to a worker who has distinguished himself in the war effort. The prize was presented to a worker who had been recognized for his bravery and courage in the face of danger.

THE DAB.

**APPLIED AT WEST WILKINS KENT.**—The DAB, a new type of machine, has been applied for a patent in the United Kingdom. The machine is designed for use in the textile industry and is expected to revolutionize the way in which cloth is produced.
